Cont.....

LEGAL TECHNIQUES: *All finishing techniques must be applied in a gradual and safe manner or will result in instant disqualification!!! Safety first!! This means pressure gradually instead of jerking or jolting.*

- Chokes, neck cranks, jaw and chin cranks
- Arm bars, key lock, shoulder, locks (straight and twisting arm bars, shoulder locks, and wrist locks)
- Knee, foot, compression and straight ankle locks. Heel hooks / knee bars - advanced divisions only.
- No Heel Hooks and knee bars in any Kid's Divisions.

We allow many more submissions than almost any other tournament due to the fact that we have a heavy representation from all grappling styles. Wrestlers, Sambo players, BJJ artists, Judo players, etc all fight differently and we accommodate those differences. We do not presume to tell any fighter how to fight his game and are only making illegal the things that are not safe and the things state commissions and insurance companies mandate.

ILLEGAL TECHNIQUES: *Punishment is 1 foul or disqualification, at referee's discretion.*

- Strikes of any kind
- Not applying any submission in a slow, gradual manner
- Hair pulling
- Body slams from guard above waist high
- Making your opponent land on his/ her head or attempting to injure opponent with throw or takedown
- Biting, fish hooking, small joint manipulation (grabbing individual fingers, toes, ears or nose, etc)
- Thumbing, scratching, pinching, or pulling skin and touching of the eyes or groin
- Applying any slippery substance to the body, hair, or uniform
- Cursing, arguing with the referee, or general bad attitude
- Unsportsmanlike conduct (Referee's discretion)
