GENERAL RULES FOR CONTACT FIGHTING

*******Contact is full power striking with padded protection*******

Each match will last two minutes, without stopping, and is won by a single point (*ippon*), which is awarded when a technique sufficiently stuns the opponent so that he/she loses the will to resume fighting within five seconds. A half point (*waza ari*) can be awarded for a technique that momentarily stuns the opponent. If no point is awarded during the two minute round, the referee and corner judges can decide upon a winner or send the fight into an overtime round.

Kicks to the head will be allowed only in the 15 & older, and only in the intermediate and advanced divisions. Sweeps will be allowed, but must be followed immediately by a non-contact technique to score a half point.

6. Judges decisions are final.

Point Fighting

Each point fighting round lasts two minutes or until one competitor reaches three (3) points. Competitors stop and restart after each point. Points are awarded by the head judge when at least three of five judges agree a scoring technique has happened.
